Great to see you, Bern, and Bess last month! Wendy and I just got "The Intouchables" in the mail from Netflix, on your recommendation.

Re Speier only willing to meet with the Sec, next time I come to DC, I only want to meet with POTUS. HL

Writing from the land of cold and snow and ice....back to reality after the nice San Francisco weather! I had a call from Cookab Hashemi while I was in SF. Although Rep. Speier wanted to meet with the Secretary, we suggested she meet with Rachel Jacobson. Cookab said she wants to meet only with the Secretary and if the Secretary declines the meeting she won't meet with anyone.

(Sorry we missed getting together again after Christmas Frank. I got involved in family events. Let's catch up by phone when you are back at work).

Hi Frank: You're gonna love this ... Just got a call from SF Rec/Park - Alex Randolph. Speier's office called them to inquire about a space in a park in Speier's Dist where she can hold a "dog mgt plan mtg" in late Jan. Naturally, Speier didn't come to us about this, except indirectly. You may recall that Samantha Roxas of Speier's office asked me around a month ago for the names and contact info for folks who represented stakeholders other than the dog community. This may be where that has led.

I just placed a call to Samantha; I'm awaiting a call back.

If my luck holds, I'll be in Mexico when the meeting is set.
